The Bloomberg Keyboard

The red stop keys, green action keys, and yellow market sector keys help you access information quickly and easily, without using your mouse.
### Helpful keys:

<table>
<thead>
<tr>
<th>Use...</th>
<th>To...</th>
</tr>
</thead>
<tbody>
<tr>
<td>Esc CANCEL</td>
<td>Exit the current function.</td>
</tr>
<tr>
<td>Enter GO</td>
<td>Execute a typed command. For example, to access the News function, type N, then press &lt;Go&gt;. For more information, see Functions &amp; Securities.</td>
</tr>
</tbody>
</table>
| END MENU     | • Navigate from any function back to a menu of related functions, then back through the menu hierarchy to the Home menu.  
                • Close popups.  
                For more information, see Browsing Menus. |
| HELP         | Connect to function Help Pages (online user guides) and to the Bloomberg Helpdesk.  
                For more information, see Getting Help. |
| F3 CORP Market Sector | Load securities and access market sector menus.  
                For more information, see Browsing Menus and Functions & Securities. |

For a complete view of the Bloomberg keyboard, hold down the <ALT> key and press K. To dismiss the keyboard image, press the K key again.
