Select a database:

**CANADIAN BUSINESS & CURRENT AFFAIRS: COMPLETE**

**FACTIVA**

**PRESSDISPLAY**
Enter your search terms and limit where to find them

Add more information using the search options. See example on next slide.
CBCA Complete:

Example: Select “Anywhere except full text – ALL” Under “Source Type” select “Newspapers” Under “Document type” select “News” Click “Search”
Click on the “Afficher! Get it!” button if no full-text link is available; the article may be available through another database. Otherwise, click on “Full text” to read the article.

Refine the results by using the facets on the left navigation pane.
More tips on how to search: use the Subject headings.

For further information, check out the selection under ebrary e-books.
Enter your search terms in the “Free Text Search” box.

Leave the box blank if you want all news for a company.

Under the “Company” field, click the triangle to reveal a search box and type in your company name.

Click “Search” on the bottom of the page.
Click on the title to read the news article. Refine the results by using the facets in the left navigation pane.
Enter your search terms in the search box. Click the drop-down arrow beside the “Search button” to use the “Advanced Search” function and limit your search by date.

Limit your search to particular newspapers by clicking “Select Title” and selecting newspapers by country, or by title.

Click on “Business” to access business news.

Note: A maximum of 5 people can use PressDisplay at the same time.
Use the “Advanced Search” menu to refine your search results.

Click on the article title to read the full news article.
